

Business 51, villages of Whiting and Plover

Work recently completed

- Crews installed the temporary signals in the Porter Road/Tommy's Turnpike intersection with Business 51.
- Utility crews removed the streetlights along the McDill Pond.

Scheduled ahead for the next week

- Crews are installing temporary signals at the intersection of County HH and Business 51.
- Crews will continue installing traffic control items.
- Crews will continue with raised median removals from Elm Street to Minnesota Avenue.
- Utility crews will continue relocating their facilities between Tommy's Turnpike and Cedar Street.

Traffic impacts and business access

- Motorists can expect lane closures and flagging operations.
- Pedestrians may encounter some sidewalk closures and detours.
