

Business 51, villages of Whiting and Plover *(*updated*)*

Recently completed

- Crews closed the Porter Road access to Business 51 until late October 2018.
- Crews completed the infiltration basin along Cedar Street.
- Crews completed the storm sewer work between MacArthur Road and Hickory Street.
- Crews completed breaking the pavement in the Porter Road intersection with Business 51.

Current activities

- Crews are continuing to widen the roadway between County HH and Minnesota Avenue.
- Crews are beginning to dig the infiltration basin between Beech Street and Elm Street.
- Utility crews are relocating their facilities between Tommy's Turnpike and Elm Street.

Scheduled ahead for the next week

- Crews will continue to widen the roadway between County HH and Minnesota Avenue.
- Utility crews will continue relocating their facilities between Tommy's Turnpike and Elm Street.

Traffic impacts and business access

- The sidewalk from Minnesota Avenue to County HH has been removed. Pedestrians and bikes will need to use Minnesota Avenue and the sidewalk on County HH.
- **The Porter Road access to Business 51 is closed until late October 2018.**
- Motorists can expect lane closures, flagging operations and lane shifts.
- Pedestrians may encounter some sidewalk closures and detours.
- Pedestrian traffic is detoured using Elm Street, School Avenue/First Avenue and the paved pathway constructed on the village of Whiting Utility easement. Bikes and pedestrians are encouraged to use this route to avoid hazards inside the construction zone. Some of the roadway for pedestrian and bicycle use has been delineated by white tape. Motorists on this route need to exercise caution as there will likely be increased pedestrian traffic.

Contact information

- The project field office is located at 2525 Post Road, Stevens Point

- Business and property owners can contact the on-site Project Leader Korey Boehm at 715.459.2943 or the project field office at 715-544-6462.
