3600 Water Street, Stevens Point, WI 54481

## Next election is February 18, 2020

If you are not registered to vote or experienced a change in name or address, go to [MyVote.wi.gov](http://MyVote.wi.gov) or call the Village office.

**Trick or Treat!!** It's happening from  
5-8 pm on Oct. 31<sup>st</sup>.

*Happy Haunting!*

**The compost site closes on  
November 20, 2019**

## Important!

TDS Fiber-Optic Network construction has begun.

If you have any underground water or security systems or private power, please mark with flags or spray paint.

Call the construction hotline at 1-855-259-8576 if you have questions.

## Update from the Utilities Committee:

Use of our new credit card payment system has steadily increased since being implemented in May. Consider making your next utility bill payment using a credit or debit card or e-check. Fees apply. See the Village website for a direct link to GovPayNet.

Fall 2019

## *Recognition of Service*

Thank you to Jenna Helminski for her service as Village Trustee for the past year. Jenna resigned as trustee in July due to a job offer out of the area. Jenna had been our newsletter editor as well. Thank you and we wish you all the best in your new job!!!

## *Are you interested in Local Municipal Government?*

Consider running for Village Board Trustee. Nomination papers for the Spring 2020 election will be available for circulation beginning Dec. 1<sup>st</sup> and are due in the Village office by Jan. 7<sup>th</sup>. Three Trustee positions are open for re-election:

Andrew Kruit  
Paul Pfiffner  
Vacancy

## Did you know . . .

Salt/Sand Barrels are located behind the Village Hall and at the corners of School and Verrill and Cherry and Cedar. Let the Office know when they become depleted.

2020 Recycling Pick up Schedules will be included with your real estate tax bills. Watch for them in early December.

Stay informed. Check our website for meeting agendas & minutes.

The Village is negotiating its garbage and recycling contact. The new contact may have a provision for providing each household with its own garbage and recycling bins. Stay tuned for more information.
