Last Day Compost Site is open: November 20, 2021

Are you looking to be involved in Local Municipal Government?

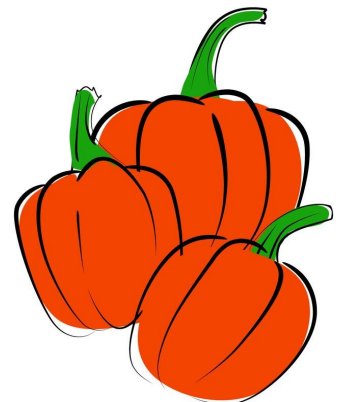

We currently have an open trustee position that needs to be filled for the remainder of this term (ending April 2022)

If you are a current resident of the Village of Whiting and are interested in filling the remaining term (April 2022), please send a letter of interest to the Village Clerk by October 29, 2021. Include your background and why you are interested in becoming a Village Board Trustee. The board will appoint a person to fill this position at the November 9 board meeting. If you want to continue this position, you would then need to run for it in the upcoming April election.

There are 3 positions to fill for the 2022-24 term. Nomination papers for the Spring 2022 election will be available for circulation on December 1 and are due in the Village office by January 4, 2022.

TRICK or TREATING Hours:

Sunday October 31 from 5-8 pm (coinciding with Plover and Stevens Point)

Wintertime Reminders:

- Property owners and occupants are responsible for removing snow and ice from sidewalks within 24 hours after the snowfall ceases. (Village ordinance 12.07)
- The village encourages residents living near a fire hydrant to help us keep the hydrants clear of snow, which will allow faster access to the fire department in the event of a fire.
- When ice has formed and cannot be immediately removed, residents should use salt, sawdust or sand to cover the area.
- Removing snow from private property and depositing on sidewalks, streets or other public places is prohibited.
- Sand barrels are available on Verrill and School St., behind the Village Hall and Cherry and West Cedar.
