Receiving Hours

Monday-Friday 7:30 am to 3pm
Saturday 7:30 am to 10:30 am
Closed major holidays.

Secure Your Load For Safer Roads!

An unsecured load has not been fastened in or attached to the vehicle with tarps, ropes, winch straps, netting, or chains, so as to prevent any part of the load or the covering from becoming loose, detached, or leaving the vehicle while the vehicle is moving. Unsecured loads may be refused or subject to a surcharge.

Unsecured Loads

Household Hazardous Waste

Rid your home of hazardous materials such as pesticides, herbicides, cleaners, paints, chemicals, gas, and aerosols. The Hazardous Waste Collection program runs March through November by appointment only. Call 715-346-1931. Fees apply. Very small quantity generators, businesses and farms may inquire about their disposal options by calling 715-346-1931.

Yard Waste

Yard waste or woody debris less than 6 inches in diameter is not accepted. Check with your local municipality for disposal options. Invasive species such as garlic mustard, Japanese knotweed, or buckthorn are accepted if they are bagged.

Latex Paint

Latex paint is not hazardous, but they must be solid before throwing away. Fill a half empty can with OilDri or cat litter. Mix COMPLETELY and leave lid off. It should look like lumpy oatmeal. When paint is solid (2-4 days) throw it in the trash, keeping the lid off.

Latex paint may also be properly disposed of at the Transfer Facility for \$1.50/lb. March through November, by appointment only. Call 715-346-1931.

Document Shredding

Secure document shredding is available at Portage County Solid Waste. A limit of three bank sized boxes may be

brought at one time. There is a \$5 per box fee.

Proper Sharps Disposal

Used needles, lancets, and other sharps, must be disposed of separately from regular trash or recyclables. **Do not put sharps or sharps containers in your recycling or trash container.** This program is not intended for businesses such as nursing homes, clinics, hospitals, assisted living homes, treatment centers, or for veterinary care. These entities need to call a service provider for pick-up and disposal.

Medication Disposal

Properly dispose of unwanted medication at the Plover or Stevens Point Police Stations or the Portage County Sheriff's Office during normal business hours. Put medication in a sealed plastic bag.

Never flush unwanted medication down the drain!

Sharps from residential homes may be brought to one of the following locations for proper disposal:

- Metro Market Pharmacies in Stevens Point & Plover
- Hometown Pharmacies in Stevens Point & Plover
- Portage County Solid Waste MRF in Plover

Dumpsters or Large Item Pick-up

Portage County Solid Waste does not provide these services. Call a local service provider or contact your municipal clerk for details.
